Dear Sydney,

From October 7, 2023, the Institut Giacometti presents an exhibition devoted to Alberto Giacometti's « The Nose ».

And we are delighted to be able to count on the the support of the Justin Sun's collection, and of the loan of *The Nose* (1949-1964).

In view of the public success of this exhibition, we would like to extend its duration, postponing its closing date from January 7, 2024 to January 14, 2024.

I would be most grateful if you would allow us to extend the loan of M. Sun's Nose (loan agreement here below), which is essential to the exhibition's itinerary and purpose.

In the hope of a favorable response,
Best regards,

Hugo

Dear Randy, dear Sydney,

I hope you are both well. I come back to you with some information and question regarding the upcoming loan of *The Nose*.

Please find enclosed our facility report and loan form : I would be most grateful if you could complete and sign the loan form. We particularly would like to know if you agree to have the work insured nail to nail by our broker Gallagher or if you have your own insurer. In that case, I am at your disposal if you want me to contact them.

The shipping company we work with is André Chenue, who coordinates the transport and installation of our exhibitions at the Foundation. Our contact there, Caroline Fortun, already got in touch with someone from Helutrans to have an estimate of the transportation.

I remain at your disposal if any other information is needed.

With all my thanks,
Best regards,

Hi Sydney,

We would need the work to arrive the week prior to the installation, between September 25th and 29th.

Another possibility is to have the transport planned before that week, if you agree to have the crate stay in our secured storage where the collection of the Foundation is stored.

All the best,

Dear Sydney and Randy,

Nice to virtually meet you. I'll be working on this upcoming exhibition and arrange the details of the loan.

I wanted to check with you if the work has an existing crate. Also, do you have an insurer you would like to work with or would you agree to insure the work with our broker Gallagher ?

With your agreement, the transport can be organized from Singapore to Paris by the shipping company Chenue, with whom we work.

I am at your disposal should you have any question regarding this loan.

With all my thanks,

Best regards,

Dear Elodie,

I hope this finds you well.

The exhibition preparation is making progress. And we would like to schedule more precisely the transport and installation of Justin Sun's *Nose*.

I would like to introduce you to our registrars, here in copy, Alban Chaine and Asia Bretonnier who will be working on the exhibition.

Could you give us the contact of the person with whom Alban and Asia could schedule the transport of the work ?

With my best regards,

Hugo
